INTERNSHIP/EXPERIENCE

Designation

Geeks for Geeks

June 2023-August 2023

- Completed a 10-week Full Stack Development program, gaining expertise in front-end, back-end, deployment, and debugging. Proficient in React, Node.js, and essential tools for comprehensive web development skills. (GFG).
- Also build some projects like Quiz app, Temperature Converter and Web Music etc.

Designation

Coding Ninjas

April 2022-August 2022

- Strengthened problem-solving skills and algorithmic proficiency.
- Developed a well-rounded skill set in software development through practical application.

SKILLS

Technical: C, C++, JavaScript, HTML, CSS, React, Python, Git Hub.

Certificates: C++ | [Udemy](#), Data Structure and Algorithm | [Coding Ninjas](#), React | [GeeksForGeeks](#).

Curriculum: Web Development, Complete Web Mobile Designer.

Interests: Front End Developer, Software Developer, Software Testing, UI/UX Design, Problem Solving.

ACHIEVEMENTS

- Achieved top-tier ratings (5 ★, 4 ★, 3 ★) in C++, Python, and DSA on [Hacker Rank](#).
- Solved 300+ Question on [Leet code](#).
- Solved 150+ Question on [GFG](#).

PROJECTS

Currency Swapper

- Project Link:** [Vite + React \(main--splendid-haupia-95f534.netlify.app\)](#)
- Developed a currency conversion app using **React**, integrating custom hooks for real-time currency information.
- Implemented a user-friendly interface allowing seamless conversion between currencies.
- Employed API integration to fetch live exchange rates, ensuring accurate and up-to-date currency conversion.
- Utilized React Router for seamless navigation between different currency pairs, enhancing the overall usability of the application.

Wishlist App

- Project Link:** [Wishlist \(scintillating-sunflower-3ce44e.netlify.app\)](#)
- Crafted a user-centric Wishlist App utilizing **HTML**, **CSS**, and **JavaScript**.
- Implemented essential functionalities including item addition, completion tracking, and removal.
- Ensured a seamless and intuitive user experience through responsive design.

ABOUT YOURSELF

- Hardworking and enthusiastic final year student seeking an opportunity to contribute to the growth of an organization.
- Writing to express sincere interest, my strong background in DSA and Web Development positions me to make a valuable contribution to your team.
